Partnering *with parents*

OUR SMALL GIFT TO YOU!

What's it About?

I prayed for this child, and the Lord has granted me what I asked of him.²⁸ So now I give him to the Lord. For his whole life he will be given over to the Lord." And he worshiped the Lord there. - 1 Samuel 1:27-28

We are so happy about the addition to your family. This is a very exciting time. This can also be a very scary time as you are entering into new and uncharted territory.

The Cabot Church of Christ wants to be there for you and your family at every step of your spiritual journey and that is what Phases is all about! We realize that we all want to grow closer to God and become more like Jesus but that looks different for everyone because we are all at different stages in life. Phases is all about partnering with you at your *unique* phase.

As you are getting ready to raise a little one, we want to celebrate with you and also provide you with resources to help you. This small book, "Zero to One" is a great resource

that covers developmental changes of your child over their first year but it also looks at what you can do even now to start your kid off on the right foot spiritually. It is a quick and easy read but has some invaluable information we hope you will look at.

As you and your family enter different phases of life we hope that you will continue to go to the Phase Station by the Welcome Center and on our church website to get tools and resources for your spiritual journey.

The shepherds, ministers, and church family want to be here for you and support you in whatever way possible. If you ever need anything don't hesitate to ask. Now get some sleep now while you still can!
