If you want to register your teen go to <<https://campcaudle.campbrainregistration.com/>> and register online. This way you will pay the camp and not have to pay me. Let me know if you register your kid so I know who is going and so I can pay the other part of your teens registration.

When you check out use the promo code "19CYD " and you will get \$100 off the price (this is what I worked out with the camp to reflect the amount the youth ministry is taking care of for each teen). Let me know if you register your kid so I know who is going and so I can pay the other part of your teens registration.
